At Stanfield, we LOVE our furry friends! We are excited to partner with an organization that we admire, the Madison Oglethorpe Animal Shelter. This organization does a lot with minimal resources to help animals in need and provide much needed homes to pets and services to local pet owners.

We are asking Stanfield customers to donate a bag of dry dog or cat food, or a package of wet dog or cat food to help MOAS this fall and we will match ALL donations! In addition, Stanfield will give you **\$10 OFF ANY FUTURE SERVICE** when you donate a bag of pet food. You are welcome to drop off your bag at our office, or we can pick it up when we come to your house for services or repairs.
