

# JOIN OUR PET FOOD DRIVE

*Supporting local shelters*

We love helping our furry friends! This fall, we're hosting a pet food drive to benefit our two local shelters, the Madison Oglethorpe Animal Shelter and the Athens Area Humane Society. Both organizations help animals in need, provide homes to pets, and services for local pet owners.

Join Stanfield Air Systems by donating bag of dry dog or cat food, a package of wet dog or cat food, or another item needed, and we will match ALL donations! In addition, Stanfield will give you **\$10 OFF ANY FUTURE SERVICE** with your donation. You are welcome to drop off any donations at our office, or we can pick it up when we come to your house for scheduled services or repairs.

## \$10 OFF
